Point Reyes offers over 1500 species of plants and animals to discover. Home to several cultures over thousands of years, the Seashore preserves a tapestry of stories and interactions of people. Point Reyes awaits your exploration. So close to San Francisco, yet a world apart. Visit Bear Valley Visitor's Center and see fantastic displays of one of the most wild National Parks, learn of the animals, native peoples and history. Craig will also show you where a fence was shifted 20' during the 1906 Earthquake and the exact spot Sir Francis Drake landed in 1579. Lunch today is at Osteria Stellina Italian Restaurant (see reverse for full menu). Depart from Mission Oaks (parking lot across the street) at 7:30 am and return to Carmichael at 7:00 pm.
